PRINCIPAL ALTERATIONS, &c. DURING THE QUARTER.*

The following alterations have taken place since the issue of the last number of the "BRITISH POSTAL GUIDE," dated 1st April 1868 :—

Army Schoolmistresses.—The privilege enjoyed by private soldiers of sending or receiving their letters at a reduced rate of postage has been extended to army schoolmistresses.

Book and Pattern Post.—An alteration has been made in the scale for charging books and patterns addressed to Belgium, Denmark, Egypt, France, Germany, Greece, Italy, Norway, Papal States, Poland, Portugal, Russia, Spain, Sweden, Switzerland, Syria, the Netherlands, and Turkey, by a reduction in the postage of packets not exceeding two ounces in weight.

Cape of Good Hope.—The mail packets for the Cape of Good Hope which have recently sailed from Southampton on the 25th of the month will in future sail from Devonport on that day.

Constantinople.—The communication with Constantinople via Vienna Rutschuk, and Varna has been re-established for the summer season.

Malta.—The mails for Malta hitherto despatched via Messina every Tuesday have been discontinued, but in lieu thereof mails are now to be despatched six times a month via France.

Norway.—Arrangements have been made which admit of the full prepayment of letters and newspapers sent to Norway by private ship, and the forwarding of book packets and patterns by the same means.

* Before any important alteration is made, notice of it is exhibited at every Post Office in the country, and is inserted in the "Postal Official Circular" (see page 2). A copy of the notice also is sent for insertion to each of the London daily newspapers. In the "Postal Official Circular" also are inserted minor alterations not of sufficient importance for a more extensive notice.

For further particulars respecting these Mails, and for information about Mails of daily despatch, see Table of Colonial and Foreign Postage, page 52.

III. RATES OF POSTAGE AND CONDITIONS OF TRANSMISSION.

*Inland Letters.**

Postage regulated by weight.

1. The rate of postage to be prepaid is one penny for every half ounce or fraction of half an ounce,† viz.:—

On a letter not exceeding $\frac{1}{2}$ oz. - - - 1d.
 „ „ above $\frac{1}{2}$ oz. and not exceeding 1 oz. - 2d.
 „ „ „ 1 oz. „ „ $1\frac{1}{2}$ oz. - 3d. and so on.

Unpaid Letters.

2. As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged. An inland letter, for example, weighing more than half an ounce and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. On re-directed letters, however, the charge for re-direction is the same whether prepaid or collected on delivery (see paragraph 111).

Colonial and Foreign Letters.

3. The rates of postage on letters to the colonies and foreign countries are entered in the table of Colonial and Foreign Postage at page 54.

Addresses to the Queen and Petitions to Parliament.

Petitions, &c. to the Queen and to Parliament.

4. Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

Newspapers and other Periodicals bearing the Newspaper Stamp.

Not compulsory to send Newspapers by post.

Circulation free of postage.

5. Although provision is made for forwarding newspapers, books, and money through the post, no one is compelled so to forward these articles; the exclusive privilege of the Post Office† extending only to letters.

6. All periodicals, including newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may, under the following regulations, be sent and re-sent through the post, within the United Kingdom, free of postage:—

1st. Such publications are subject to the same restrictions as to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letter-press on One Side.
One Penny - - -	Two (one of them being a supplement)	2,295 inches.
Three Halfpence - -	Three (two of them being supplements)	3,443 „
Two Pence - - -	Three (two of them being supplements)	4,590 „

* Inland Letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to Letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

‡ The term "Post Office" applies to all Post Offices, whether Head-Office, Sub-Office, or Receiving Office. A "Head-Office" is an office subordinate only to a Metropolitan Office. Both Sub-Offices and Receiving Offices are under Head-Offices; but at Receiving Offices letters are received only, not delivered.

- 2nd. No publication, or portion thereof, can pass through the post unless the impressed stamp which it bears be a stamp of the value at least of one penny.
- 3rd. The title and date of the publication must be printed at the top of every page.
- 4th. The publication must be folded in such a manner that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside; except that where there are more than two publications in the same cover it is considered sufficient if the stamps be so arranged that they can readily be examined. If this rule be infringed a postage of one penny will be charged in addition to any other postage to which the publication, if properly folded, would be liable.
- 5th. The publication must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
- 6th. It must be posted within 15 days from the printed date of issue.
- 7th. It must have either no cover or a cover open at the ends: otherwise it will be charged as an unpaid letter.
- 8th. It must not contain any enclosure. If it do, the enclosure will be taken out and charged as an unpaid letter, together with an additional rate of one penny.
- 9th. It must have no writing or other mark thereon but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus if a newspaper, franked by a newspaper stamp, after having had the address of one person written upon the paper itself, be sent to another person, the first address must be cut off; obliteration not being sufficient. For any breach of this rule an additional postage of 2d. will be charged.
- 10th. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of 1d., which must be prepaid by affixing a postage stamp.* If this be not done, an additional postage of 2d. is charged.
- 11th. If the 1st, 2nd, 3rd, 5th, or 6th regulations be infringed, the publication will be charged as an unpaid book-packet, with the double book postage.
- 12th. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
- 13th. Stamped publications can also be forwarded under the regulations of the Book Post; but when so sent the impressed stamp does not count as any part of the postage.

7. The Colonial and Foreign newspaper rates are set forth in the Table of Colonial and Foreign Postage, commencing at page 54, and are applicable only to such publications as have been registered at the General Post Office for transmission abroad. These publications are subject to the restrictions contained in the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations. *The* Newspapers sent abroad.

* In London, within the Town limits, this rule extends to all places within three miles from the General Post Office. In the suburban districts the free delivery includes all places served from the Head Office of each district.

postage must be prepaid in postage labels. An impressed stamp on a newspaper addressed to a place abroad does not count as any part of the postage.* The publications sent abroad under these arrangements are newspapers, magazines, prices current, market reports, &c. published at intervals not exceeding thirty-one days. When the privilege of transmission abroad is desired for a publication, the publisher should make application to the Secretary of the Post Office, sending a copy of the publication. Unregistered periodicals, whether newspapers or other, cannot be sent abroad at any rates lower than those applicable to books, &c.

Newspapers
for Russia.

8. It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character, is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

Parliamentary Proceedings.

Parliamentary
proceedings
circulated
inland.

9. Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of one penny for every quarter of a pound or fraction of a quarter of a pound.

The words *Parliamentary Proceedings* must be written or printed on the cover of the packet: otherwise it is treated as an ordinary Book Packet.

Prepayment
optional.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary
proceedings, &c.,
sent abroad.

Parliamentary proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post (*see* pages 13, 70, and 71).

Book Post, including, when the foregoing special privileges are not claimed, Newspapers (with other periodicals) and Parliamentary Proceedings.

Inland Book
Post, &c.

10. The following are the regulations of the Inland Book Post:—

- 1st. The Postage is 1d. for every quarter of a pound or fraction of a quarter of a pound.†
- 2nd. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid the packet is treated in the manner described in Section 9.
- 3rd. Every packet must be sent either without a cover, or in a cover open at the ends or sides; so as to admit of the enclosures being removed for examination. For the greater security of its contents, the packet

* Newspapers posted unpaid are retained at the Returned Letter Office for one week, and then, if the postage remain unpaid, are destroyed.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the book or printed paper becomes liable to a higher postage. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight. It should be remembered that a newspaper when wet weighs more than when dry. Forgetfulness on this point sometimes causes groundless complaints about charges for newspapers; the complainant erroneously supposing, on weighing the newspaper on its arrival and when it had had time to dry, that he had been overcharged. The foregoing observations apply also to books, &c. sent abroad.

may be tied at the ends with string; but in such case the Postmaster is authorized to cut the string, although if he do so he must again tie up the packet.

4th. A book-packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass), prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints can go, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, is allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, &c. must not be sent as a separate packet, nor can patterns, or books of patterns (unless these consist merely of *paper*) be permitted.

5th. No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed as respects the name and address of the sender, writing is not only permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.

6th. No book packet must exceed two feet in length, or one foot in width, or depth; and if any packet of greater dimensions be presented at a post office, it cannot be received.

7th. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter written in it, or upon its cover, is charged with the "unpaid" letter postage.

8th. If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.

9th. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.

10th. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

11. It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at or passing through, their offices. Precautions against fraud, &c.

12. To prevent obstacles to the regular transmission of letters, a Head Postmaster may, when necessary, delay forwarding any book packet, not a newspaper, for a period not exceeding twenty-four hours beyond the ordinary Despatch of book packets may, when

14 *Rates of Postage and Conditions of Transmission.*

necessary,
be delayed.

time ; and at Packet Offices* the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book packet ought otherwise to be forwarded.

13. The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers though an important is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters should not be sent through the Post.

Colonial and Foreign Book Post.

14. Except that the rates of postage are higher, books can be sent to all British colonies, and to the foreign countries named in the list at page 70, on the same conditions as those of the Inland Book Post ; and on those conditions books can also be sent to the countries enumerated at page 71, subject to the modifications there mentioned.

Inland Pattern and Sample Post.

Inland Pat-
tern and
Sample Post.

15. The following are the rules of the Inland Pattern and Sample Post :—

1st. The Postage is 2d. for every quarter of a pound or fraction of a quarter of a pound.

2nd. No packet of patterns or samples must exceed 24 oz. in weight. Any packet above that weight is sent to the Returned Letter Branch.

3rd. The postage must be prepaid by means of postage stamps.

4th. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles : otherwise the packet is treated as a letter.

5th. There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them. Any loose enclosure is taken out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate of a penny.

6th. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, &c. may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened ; or in bags entirely closed, provided that they are transparent, so that the Officers of the Department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet is treated as a letter.

7th. If a packet of patterns or samples be posted altogether unpaid, it is charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, even although only a penny stamp be affixed, the packet is charged with the amount of the deficiency, together with an additional rate of twopence.

* Packet Offices are those at which Mails are made up for despatch by packet-boats (as distinguished from private ships) to places abroad ; such are the Offices of London, Liverpool, Southampton, and Devonport.

- 8th. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any Head Postmaster for 24 hours beyond the time when, in the ordinary course, it would be forwarded.
- 9th. The rule, which forbids the transmission through the post of any article which might injure the contents of the mail bags or the Officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the Officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it is stopped, and a notice of its detention is sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet is charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.
- 10th. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

Colonial and Foreign Pattern and Sample Post.

16. Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter "P." The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions :—

- 1st. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.
- 2nd. A packet of patterns or samples sent to Germany, Russia, Belgium, Turkey, Moldavia, Wallachia, &c., *viâ* Belgium, or to any place *viâ* Austria, must not exceed 8 ounces in weight, and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verds is limited to one pound.
- 3rd. None of the articles named in rule 9, above, may be sent as patterns or samples to any place abroad, except the United States of America, Germany, Belgium, Holland, Denmark, Sweden, Norway, Turkey, Moldavia, Wallachia, Portugal, Madeira, the Azores, Cape de Verds, and the British Colonies, and not to these places when addressed "*viâ* France."
- 4th. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Portugal and its possessions, and Austria (*viâ* France); and samples of intrinsic value must not be sent to foreign countries except the United States.

IV. POSTAGE STAMPS.

Postage
Stamps
must be
kept for sale.
Prices.

17. Every Head Postmaster is required to keep, for sale to the public, a sufficient stock of the various postage labels in use and of envelopes with the penny stamp embossed. The present labels are of the respective values of 1d., 2d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. Sub-postmasters are required to keep penny labels only, but they must procure for the public any stamps of higher value, or embossed envelopes, which may be required. The envelopes are made of four sizes, viz., $5\frac{1}{4}$ ins. \times $3\frac{3}{4}$ ins., $5\frac{1}{4}$ ins. \times 3 ins., $4\frac{3}{4}$ ins. \times $2\frac{3}{4}$ ins., and 4 ins. \times $2\frac{1}{2}$ ins. They are all sold at the following rates :—

	s.	d.		s.	d.		s.	d.
1 for 0	1	$\frac{1}{4}$	4 for 0	4	$\frac{1}{4}$	8 for 0	8	9
2 „ 0	2	$\frac{1}{4}$	6 „ 0	6	$\frac{1}{4}$	*12 „ 1	1	$\frac{1}{2}$

Rural Mes-
sengers may
sell Postage
Stamps.

18. Every Rural Messenger is authorized to sell postage labels and embossed envelopes at the same price at which Postmasters are empowered to sell them; and when any person applies to him for postage labels the messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money and, on his arrival at the Post Office, obtain labels for it and affix them carefully to the letters.

Prepayment.

19. Prepayment of inland letters, newspapers, books, patterns, &c. must be by labels or embossed stamps, except at the Chief Post Office, London, where, from 10 a.m. to 5 p.m., letters (and *letters† only*) may be prepaid in money, provided the amount be not less than £2. Letters also to the colonies and foreign countries may be prepaid in money. British postage stamps, though available for all letters going out of this country, are not, as a general rule, available for letters, coming into it.

20. By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, they should be examined to see that they firmly adhere (see page 81, sec. 6), and the envelopes to which they are affixed should not be too highly glazed, since if the stamps fall off, the letters are charged with postage, and that at the unpaid rate; while as respects letters addressed to many places abroad the transmission is altogether stopped.

21. Labels should be placed on the front, that is the address side, of the letter, and upon the right-hand upper corner. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

22. Receipt or other Inland Revenue Stamps cannot be used in place of Postage Stamps, nor can Postage Stamps which have been torn, cut, or otherwise rendered imperfect, be used.

Paper can be
impressed
with Post-
age Stamps
at the office
of Inland
Revenue.

23. Arrangements have been made by which paper taken by the public to the Office of Inland Revenue, Somerset House, can be embossed with stamps of equal value to any of the postage stamps above mentioned, or to a combination of any of them, under the following regulations :—

- 1st. When the stamps required do not amount to 10l. worth, one shilling is charged, in addition to the postage stamps, for each distinct size of paper.
- 2nd. When the stamps amount to 10l. worth no fee is charged, provided one size of paper only be sent.
- 3rd. When the stamps amount to 20l. worth no fee is charged, provided not more than two sizes of paper be sent.
- 4th. When the stamps amount to 30l. no fee is charged, provided not more than three sizes of paper be sent.

* Every complete dozen or larger number is charged at the same rate.

† The term *letters* includes, of course, everything sent through the post paid for at the letter rate.

5th. When the stamps amount to 40l. no fee is charged, provided four sizes of paper only be sent; and no more than four sizes can be received on a single warrant.*

6th. No *folded* envelopes can be stamped; and therefore paper, whether intended for envelopes or letters, must be sent unfolded and without being creased.

7th. Every distinct size and form of envelope or paper must be marked so as to indicate the place on which the stamp is to be impressed, in order that when the envelope or letter is folded and made up, the stamp may appear in the proper position, according to the rules of the Post Office.

8th. No coloured paper can be received for stamping, nor any paper which is too thin to bear the impression of the dies.

9th. Envelopes provided by the office of Inland Revenue, with the proper stamps thereon, will be substituted for any which may be spoiled in the operation of stamping.

24. A licence to sell postage stamps can be obtained, free of expense, by any respectable person on application to the office of Inland Revenue, Somerset House, London, or (by residents in the provinces,) on application to the Stamp Distributor of their District. Licences to sell Postage Stamps.

25. All Postmasters in the United Kingdom at whose Offices Money Order business is transacted are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:— Postage Stamps purchased from the public

s.	d.		s.	d.
1	7½	for stamps of the value of	1	8
3	3	" "	3	4
4	10½	" "	5	0
6	6	" "	6	8
9	9	" "	10	0

and so on.

26. No separate stamps can be purchased. They must in all cases be presented in strips containing at least two stamps adhering to each other.

27. In all transmissions of stamps by post care should be taken to fold them in rather thick paper, so that the contents may neither be seen nor felt through the cover.

V. REGISTRATION.

28. By the prepayment of a fee of fourpence any letter, newspaper, book, or other packet may be registered to any place in the United Kingdom or the British Colonies. (For registration to Foreign Countries, see paragraph 142.) Fee.

29. Registered letters must be prepaid as regards both postage and registration fee: in the case of inland letters such prepayment must be by stamps; but in the case of foreign letters it may be either in money or in stamps. (See also paragraph 204, page 136.) Postage must be prepaid.

30. The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, Security.

* The warrants (or requisition forms) used in applying for paper to be stamped are obtainable on application at the office of Inland Revenue, Somerset House, London, W.C.

Registration of Letters containing coin compulsory. which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of eightpence in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the Mail for which they are posted are detained for the next despatch.

Mode of posting.

31. Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or the British Colonies*, be liable to a registration fee of eightpence, instead of the ordinary fee of fourpence.

Time of posting.

32. At all Post Offices the latest time for posting registered letters on the payment of the ordinary fee is entered in the notice exhibited in the Office window; but, upon payment of a late fee of fourpence, in addition to the ordinary registration fee, at the Metropolitan Chief Offices, at the London District Offices (including the Lombard Street and Charing Cross Branches), and at all provincial Head Offices, letters, whether inland, foreign, or colonial, may be registered after the hours specified, until the closing of the letter-box for each despatch (exclusive of the time during which late letters are received), or until the office is closed for the night.

33. No Letter Carrier, Rural Messenger, or other servant of the Post Office is allowed to carry a letter for any person to be registered.

Parliamentary notices.

34. Parliamentary notices may be forwarded through the post under the following regulations:—

1st. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

2nd. These notices must be posted either at the General Post Office, St. Martin's-le-Grand, in London; the General Post Office in Dublin; the General Post Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen.
Athlone.
Belfast.
Birmingham.

Bristol.
Oork.
Exeter.
Glasgow.

Inverness.
Leeds.
Lincoln.
Liverpool.

Manchester.
Newcastle-upon-Tyne.
Norwich.
Shrewsbury.

3rd. All notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

4th. The postage chargeable on these notices and the registration fee of sixpence on each must be prepaid by stamps.

5th. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

Time for posting parliamentary notices.

35. The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the Postmaster may ap-

point any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

36. The senders of parliamentary notices should, if possible, arrange on the previous day, with the Postmaster, as to the most convenient time for posting them, and state the probable number.

37. Notices relating to votes for Members of Parliament, belonging to any of the classes enumerated in the Acts 6 Vict. c. 18. and 13 & 14 Vict. c. 69., can also be sent through the post (with the securities for their safe delivery enjoined by the Acts) on prepayment, in stamps, of the postage—whether Inland or Foreign, as the case may be—and of a registration fee of twopence, provided they be presented, duly directed, open and in duplicate, to the Postmaster of an office which is also a Money Order Office.* On receiving the notices, the Postmaster will compare each with its duplicate, and if the two agree, the latter will be stamped and returned to the bearer. The production by the person who posted such notice of such stamped duplicate is evidence of the notice having been given to the person at the place mentioned, on the day on which such notice would in the ordinary course of post have been delivered there. The notices must be presented at least half an hour before the fixed times for posting ordinary letters. They are liable to the usual charge for re-direction.

Notices relating to voting for Members of Parliament.

38. When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating the time when he received it.

Poll-books.

39. No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight or size.

40. Under the following regulations Jury Summonses may, in England and Wales, be sent through the post :—

Jury Summonses.

1. They must bear the words "Jury Summons," on each, on the same side as the address.
2. The postage, together with a fee of 2d. on each summons, must be prepaid in postage stamps.
3. They must be posted at those Offices only which are also Money Order Offices, and each must be accompanied with a duplicate endorsed with the name and address of the person to whom the original Summons is directed. On receiving them the Postmaster compares their addresses with those of the duplicates, and on being satisfied that they are alike, he forwards the originals in the usual course of post, but not as registered letters, returning the duplicates to the person who brought them, duly marked with the Stamp of the Office.
4. These Summonses are received within such hours as may be previously agreed upon between the Sheriff or other proper Officer and the Postmaster, and which must be so arranged as not to interfere with the current duties of the Office.

VI. DELIVERY.

41. Letter Carriers and Rural Messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except such as have passed through a Post Office. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however,

* The posting of these notices and of Jury Summonses is confined strictly to Post Offices where Money Order business is transacted; consequently, whenever such business is suspended at any office, none of these notices can there be received.

from receiving payment in addition to the postage does not extend to Christmas gratuities.

Delivery at window.

42. No person living within the town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by messenger is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by Letter Carrier or messenger, may be obtained by any person on application at the office window, so long as the office is open for delivery.

43. In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post Office, although for persons residing within a free delivery from such office but who have no private box, a Postmaster is authorized, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window (even though initials may be substituted for the name) and to send them out by the Letter Carriers; except such as are addressed to the military in barracks.

Private boxes and bags.

44. Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is generally fixed at one guinea per annum to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that, in addition, there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum, if the bag be conveyed by a Rural Messenger, and two guineas if by a contractor for a mail cart or other horse post. If more than one Rural Messenger or more than one contractor take part in the conveyance of a private letter bag, each is allowed to charge the full amount of the fee for his service. The weight of a private bag, when empty, is limited to one pound. As the service of a private bag may possibly delay the despatch of the general bag, none are allowed without the permission of the Surveyor. If a private letter bag made up at one post office be left at another to be called for or to be delivered from thence, the postmaster at such other office may make a charge for his trouble: this charge is usually 5s. per annum. Any person residing within the limits of a town free delivery, and renting a private letter bag, is considered to have the accommodation of a private box at the post office as well as a bag, and is liable to the full charge for both bag and box.

(For the regulations respecting the delivery of letters in London, see pages 134 to 138.)

VII. MONEY ORDERS.

Application forms.

45. The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security, than verbal messages, against mistakes. These Forms are supplied gratuitously at all Money Order Offices.

Commission.

46. The commission on inland Money Orders is:—

	On sums not exceeding 2 <i>l.</i>	-	3 <i>d.</i>
Above 2 <i>l.</i> and "	"	5 <i>l.</i>	- 6 <i>d.</i>
" 5 <i>l.</i> " "	"	7 <i>l.</i>	- 9 <i>d.</i>
" 7 <i>l.</i> " "	"	10 <i>l.</i>	- 1 <i>s.</i>

No fractional part of penny allowed.

Particulars required.

47. No order is allowed to contain a fractional part of a penny.

48. With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1st. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm: sufficient, except

in the case of a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company."

2nd. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

49. When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest Money Order Office to any street in London may be ascertained by referring to the Street List, at page 187.

50. An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order. Orders cannot be cancelled.

51. In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the Postmaster, when he obtains the order, he affix thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

52. When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank. Payment of Money Orders.

53. The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

54. Money Orders do not require a receipt stamp.

55. Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January it must be paid before the end of March): otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice headed "Lapsed Money Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost. Lapsed and void Orders.

56. No application can be entertained for compensation for alleged injury from the nonpayment of a Money Order at the expected time.

57. After once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim. No compensation allowed for alleged injury; and no claim after order has once been paid.

58. To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended,—

- 1st. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
- 2nd. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
- 3rd. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment cannot be demanded on day of issue.

Duplicate orders, transfers, repayments, alteration of name, &c.

59. Payment of an order cannot be demanded on the same day as that on which the order was issued.

60. In case of the miscarriage or loss of an inland money order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant and imposed on the officer in fault.

61. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused, in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing Postmaster.

62. No Letter Carrier, Rural Messenger, or other Servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

63. Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland on Money Order Offices in ALEXANDRIA, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR, MALTA, MONTE VIDEO, PERNAMBUCO, AND RIO JANEIRO at a charge equal to threefold the commission on Inland Money Orders, and on Money Order Offices in the subjoined list at a charge equal to fourfold such commission :—

74. The Depositor's book must be forwarded *once in each year, on the anniversary of the day on which the first deposit was made*, to the principal office in a cover (to be obtained at any Post Office Savings Bank), in order that the entries may be compared with the entries in the books of the Postmaster-General, and that the interest due to the Depositor may be inserted in it.

No charge for book at first supplied. Charge for duplicate book.

75. No charge will be made for the books at first supplied to Depositors, or for books issued to them in continuation thereof, but if any Depositor shall lose his book, and shall desire a new book, application must be made by him to the Postmaster-General by letter, stating the circumstances, and enclosing Postage Stamps of the value of One Shilling to pay for the new book should the application be granted.

No postage charged for transit of books, &c.

76. No charge for Postage will be made upon Depositors for the transmission of their books to the Postmaster-General, or for the return thereof to them, or for any applications they may have to make for acknowledgments of deposits, or for any application or necessary letter of inquiry respecting the sums deposited by them, or for the replies thereto.

Transfers of deposits.

77. A Depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established ; and, on his written application, accompanied by his book, to the Chief Office of the Postmaster-General, in a form to be obtained at any Post Office Savings Bank, he will be furnished with a certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed. A Depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the trustees or managers of such bank a certificate, stating the amount due to him, and thereupon his account with such bank will be closed. The certificate may be delivered at any Post Office Savings Bank and will be received as a deposit of the amount therein set forth ; and on the certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the Depositor, and an acknowledgment for the amount will be sent to him.

With-drawals of deposits.

78. Any Depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same in a Form which may be obtained at any Post Office Savings Bank. In this Form the Depositor must give the Particulars therein required, and on receipt of it at the General Post Office in London, a warrant for the amount required, payable at the

office named by the Depositor, will be sent to him by post. This warrant must be presented by the Depositor at the Post Office named thereon, together with the Depositor's book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature and the dated stamp of his office. The Postmaster will take from the Depositor a receipt (not chargeable with stamp duty) on the warrant for the amount repaid to him. The Postmaster-General will endeavour to prevent fraud, and to identify every Depositor transacting business with the Post Office Savings Bank; but if any person shall obtain possession of a Depositor's book and then fraudulently represent himself to be the Depositor, and by forwarding the proper notice of withdrawal, and by presentation of the Depositor's book, and compliance with the Rules of the Department, shall obtain any sum of money belonging to that Depositor, the Postmaster-General will not be responsible for the loss thereof.

79. Repayments will be made only to the Depositor in person, or to the bearer of an order under his hand, signed in the presence of either the Minister or a Churchwarden of the parish in which the Depositor resides, of a Justice of the Peace, or, in case of sickness, of the Medical Attendant. If the Depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides. A Form of Order, to be signed by the Depositor on such occasions, may be obtained at the Post Office at which the warrant is made payable. Money invested under the Act 30 & 31 Vict. c. 142 (County Courts Act), in the name of the Registrar of a County Court, can only be withdrawn upon authority addressed to the Postmaster-General by the Commissioners of Her Majesty's Treasury.

86. The officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any Depositor, nor the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his Officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Act.

IX.—GOVERNMENT INSURANCES AND ANNUITIES.

87. The Postmaster-General is empowered, under the Act 27 & 28 Victoria, cap. 43., to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than 20*l.* or more than 100*l.* He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than 50*l.* on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom Annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money, at the proper time.

88. Certain Post Offices (the names of which may be obtained at any Post Office) have been opened for the receipt of proposals for the Insurance of Lives and the purchase of Annuities, and forms of proposal, with full instructions for filling up and delivering these forms, may be obtained at these Post Offices.

89. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, have been printed, and may be seen at the Post Offices which have been opened for the receipt of proposals. These tables may also be obtained of Messrs. Eyre and Spottiswoode, London. The price of the Tables for the Insurance of Lives and the grant of Annuities without return of purchase money is 3½*d.* The price of the Tables for the grant of Annuities with return of purchase money is 2*d.* If sent by post, 5*d.* is charged in the one case, and 3*d.* in the other. The whole of the Tables for the Insurance of Lives and the purchase of Deferred Monthly Allowances, and copious extracts from the Tables for the purchase of Deferred Annuities, are given in the following pages.

90. The premiums to be charged for the Insurance of Lives vary with the ages of the persons whose lives are to be insured, and with the mode in which they are to be paid.

91. The Life of a Man or Woman in his or her 30th year may be insured for 100*l.* under any one of the following arrangements:—

	£	s.	d.
By a single payment of - - - - -	-	43	3 7
By an annual payment, throughout life, of - - - - -	-	2	6 7
By a quarterly payment, throughout life, of - - - - -	-	0	13 0
By a monthly payment, throughout life, of - - - - -	-	0	4 4
By a fortnightly payment, throughout life, of - - - - -	-	0	2 2

	£	s.	d.

By a monthly payment, until the insured person reaches the age of 60, of - - - - -	0	5	0
By a fortnightly payment of - - - - -	0	2	6

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

92. No one life can be insured for less than 20*l.* in the whole; but when a life has been insured for 20*l.*, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to 100*l.*

93. If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him (which portion will in no case be less than one-third of the whole sum paid by him) will be returned to him.

94. The sums to be charged for the purchase of Immediate Annuities will vary with the age and sex of the person on whose life the Annuity is to depend:

A Man aged 65 can purchase an Immediate Annuity of 10 <i>l.</i> , payable half-yearly, for - - - - -	£	s.	d.
	-	88	18 4
A Woman of the same age can purchase a like Annuity for - - - - -	103	16	8
A Man aged 70 can purchase an Immediate Annuity of 10 <i>l.</i> , payable half-yearly, for - - - - -	73	3	4
A Woman of the same age can purchase a like Annuity for - - - - -	84	19	2

95. The sums to be charged for the purchase of Deferred Annuities, or Deferred Monthly Allowances, will vary with the age and sex of the person on whose life the Annuity or Monthly Allowance is to depend; and with the length of the term for which the Annuity is deferred, (or, in other words, with the number of years which are to pass before the commencement of the Annuity,) and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

96. When the condition of the contract is to be that no part of the purchase money shall, in any event, be returned:—

A Man aged 30 may purchase a Deferred Annuity of 10 <i>l.</i> , to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of - - - - -	£	s.	d.
	24	3	4
or,			
By an annual payment, until he reaches the age of 60, of - - - - -	1	8	4
A Woman of like age may purchase a like Annuity by an immediate payment of - - - - -	32	8	4
or,			
An annual payment, up to 60, of - - - - -	1	17	6

and a Man aged 30 may purchase a Deferred Allowance of 2*l.* 7*s.* 3*d.* per month, to commence when he reaches the age of 60, by a payment until he reaches that age, of 8*s.* per month; and a woman of like age may, by a like payment of 8*s.* per month, purchase a Deferred Allowance of 1*l.* 16*s.* 7*d.*, to commence when she reaches the age of 60.

97. When the condition of the contract is that, in the event of the death of the person on whose life the Annuity or Allowance is to depend before the commencement of the Annuity or Allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before

the commencement of the Annuity or Allowance is unable to continue, or wishes to discontinue, the purchase, the purchase money shall be returned to him; the price charged will be higher than when no such condition is made.

Under this condition, a Man aged 30 may purchase a Deferred Annuity of 10*l.*, to commence when he attains to 60 years of age, and to be payable half-yearly, either by an immediate payment of - - - - - 40 9 2

or,

By an annual payment, until he attains to 60 years, of - 2 0 10

And a Woman of like age may purchase a like Annuity, either by an immediate payment of - - - 47 0 10

or,

By an annual payment of - - - - - 2 7 6

and a Man aged 30 may purchase an allowance of 1*l.* 14*s.* 2*d.* per month, to commence when he attains the age of 60 years, by a monthly payment of 8*s.*; and a Woman of like age, by a like payment, until she reaches the age of 60 years, may purchase an allowance of 1*l.* 9*s.* 4*d.* per month.

98. The Annuity or Monthly Allowance granted on any one life must not exceed 50*l.* per annum, or 4*l.* 3*s.* 4*d.* per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

99. Husband and Wife may each be insured to the full Amount of 100*l.*, and may each purchase an Annuity of 50*l.* or a Monthly Allowance of 4*l.* 3*s.* 4*d.* Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

100. Persons contracting for the Insurance of their Lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the Post Offices, which have been or may hereafter be opened for the purpose, as will suit them best.

101. Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide, at their own cost, such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General; inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose for the Insurance of their Lives or the purchase of Deferred Monthly Allowances.

102. Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1*s.* for every 1*l.* of Annuity purchased.

X. MISCELLANEOUS.

Post Office not responsible for injuries, or for losses through mis-sending, &c.
Limit to size of letters, &c.

103. The Post Office is not responsible for any injury which books or other articles forwarded by post may sustain; and the public, therefore, should not employ the Post Office for the conveyance of anything likely to suffer injury, unless such things be sufficiently protected. Neither is the Post Office responsible for any loss or inconvenience which may arise from the mis-sending, mis-delivery, loss, &c. of a letter or any other postal packet.

104. With the following exceptions, no Inland or Foreign letter or packet can be forwarded by the post which is more than two feet in length, or one foot in breadth or depth. The exceptions are:—

- 1st. Packets to or from any of the Government Offices or departments, or Public Officers.
- 2nd. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
- 3rd. Petitions to either House of Parliament, forwarded to any member of either House.
- 4th. Printed Parliamentary proceedings.

Official information.

105. No information can be given respecting letters which pass through a Post Office except to the persons to whom they are addressed, nor can the address of any private person be given; and in no other way is official information of a private character allowed to be made public.

Postmasters need not correspond with public.

106. Postmasters are not required to correspond with the public on official matters. All applications, therefore, which require an answer by letter should be addressed to the Secretary, at the General Post Office.

Letters cannot be returned to writers.

107. Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Deception as to place of posting.

108. If a letter be forwarded under cover to any Postmaster with a request that he will re-post it at his office, such request cannot be complied with; and the letter and application respecting it are sent to the Returned Letter Office.

Late letters.

109. Except where the Surveyor may deem a longer interval necessary, late letters*, &c. are received till within five minutes of the despatch of the mails; although no office is kept open merely for this purpose after ten o'clock at night.

Prepayment of late letters.

110. No late letters, &c. (except Government letters) are forwarded by the mail preparing for despatch unless prepaid, and that by stamps, so as to include both the ordinary postage and the late letter fee; but in the case of letters directed to any department of Government, it is sufficient to prepay the fee.

Re-directed letters, &c.

111. Every re-directed letter or other postal packet is liable to an additional postage (at the prepaid rate) unless the re-direction be made by an Officer of the Post Office, to a place within the same free delivery as the original address. Thus, on a paid or unpaid letter weighing not more than half an ounce, re-directed either by an Officer of the Post Office or by any one else to a different postal district in the United Kingdom, or from one place to another in the same postal district, provided these places be not in the same free delivery, an additional postage is levied of one penny; or, if the weight be more than half an ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal delivery in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied, or, if the book weigh more than four ounces but not more than eight ounces, an additional postage of twopence; and so on. (See also p. 137.)

112. A registered letter when re-directed is only liable to the same additional charge as an ordinary re-directed letter. If, however, instead of being taken back to the Post Office to be dealt with as a registered letter, it is dropped into the letter box as an ordinary letter (the word "registered" not

* "Late Letters" are such as are posted after the ordinary time, and which cannot be sent forward by the mail then in preparation, unless extra payment be made.

having been erased, or having been erased in pencil only), it becomes liable to the same treatment as any other letter marked "registered" and found in the letter box, and is surcharged with a registration fee of eightpence minus the value of any stamps already affixed for the registration.

113. Letters which have once been posted addressed to commissioned officers in the army, navy, or ordnance, or to schoolmasters or schoolmistresses in the army, or to non-commissioned officers, private soldiers, or seamen employed on actual service in any of Her Majesty's colonies, or on any foreign station, and who, before receiving the letters, may have started on their return home or to another station, may be re-directed to such officers, private soldiers, or seamen, &c., when these have removed upon service, and will be delivered to them without any charge for re-direction. The same privilege extends to the letters of non-commissioned officers, schoolmasters in the army (of all but the first class), schoolmistresses in the army, private soldiers, and seamen, re-directed from one part of the United Kingdom to another, or from the United Kingdom to a place abroad, provided the original postage is prepaid and the letters do not exceed half an ounce in weight; but no such privilege is allowed with regard to letters for a commissioned officer, or for a superintending or first-class schoolmaster in the army re-directed from one part of the United Kingdom to another, or (if posted in the United Kingdom) re-directed to a place abroad. See par. 133, page 73.

114. A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited, or the letters would be delayed in their transmission by being sent to the house to be re-directed there. In all cases of re-direction a written authority, duly signed by the person to whom the letters are addressed, must be sent to the Postmaster.

115. Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance,* the despatch and delivery of letters, &c.

Notice of
hours of at-
tendance,
&c.
Sunday.

116. At all offices which are open on Sunday the public are allowed, during the time they are so open (viz. from 9 to 10 in the morning and one other hour), to prepay foreign and colonial letters, to purchase postage stamps, and to have letters registered; and all other duties are performed as usual, except Money Order, Savings Bank, Insurance, and Annuity business, which, on that day, is wholly suspended.

117. At no provincial town in England or Ireland is there more than one delivery on the Sunday, Christmas Day, or Good Friday; nor, in Scotland on Sunday or the Sacramental Fast Days; † and any person is at liberty to prevent even this delivery, so far as relates to himself, as shown by the following regulations:—

1st. Any person can have his letters, &c. retained in the Post Office on Sunday by addressing to the Postmaster a written request, duly signed, to that effect; and such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate;" as no distinction can be allowed.

2nd. No letters, &c. the non-delivery of which by the Letter-carrier on Sunday has been directed, can be obtained from the Post Office window on that day.

3rd. Private box-holders have the option of applying for letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper; but no person can be permitted to engage a private box for Sunday only.

4th. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor be withdrawn, even after the lapse of that time, without a week's notice.

* These and all other hours in this notice ought to be in accordance with the time of the particular locality; but the despatch of the mails is by London time, with which Railway time agrees.

† The despatch from Sub-offices on Christmas Day and Good Friday is generally earlier than on other week days.

Change and
bad Money.

118. No Postmaster is bound to give change, or is authorized to demand change; and when money is paid at a Post Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Postmasters
not bound to
weigh letters
for public.

119. Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public; though he *may* do so if his duty be not thereby impeded.

Forbidden
articles.

120. Except so far as this Rule is modified in favour of samples (vide Rule 15, par. 9) Postmasters are instructed not to receive any letter, &c. which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case with the address of the packet to the Secretary. The following are examples of the articles referred to:

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

Undelivered
letters,
treatment
of.

121. When the reason for the non-delivery of a letter, &c. in the country is that the person to whom it is addressed is deceased, the letter is sent, as soon as practicable, to the Returned Letter Office, as are all letters intended for ships which have sailed before the arrival of such letters at the port of departure. When an inland letter is refused, it is retained by the provincial Postmaster for one day only before being sent to the Returned Letter Office, unless the refusal be conditional, in which case the letter is kept for three days, as are all colonial or foreign letters when refused, and letters, whether inland or foreign, addressed to persons not known, or gone away. When a letter addressed to a Post Office is not called for, it is retained by the Postmaster one month; except in the case of letters at seaports addressed to persons on board ships expected to arrive at such ports, which letters are kept three months. London District letters and letters from the country addressed to London and its neighbourhood, for persons deceased or gone away, or which have been refused, are sent to the Returned Letter Office on the day after the attempt to deliver them. All town and provincial letters which contain the name and address of the senders are returned to them the same day they reach the Returned Letter Office. Colonial and Foreign letters are, with a few exceptions, returned in periods varying from one week to two months.

122. Every letter which is opened at the Returned Letter Office and found to contain the address of the sender is sent back to him; and, even when a letter does not contain this address, yet if it encloses money or other articles of value, it is preserved; but, in other cases, the letter is destroyed.

Penalties for
sending letters
otherwise than
through the
post.

123. By the Act 1st Victoria, cap. 36. sec. 2., any person conveying (otherwise than by the Post) a letter not exempted from the exclusive privilege of the Postmaster-General incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every letter, with full costs of suit.

Exceptions
from exclu-
sive privi-
lege of Post
Office in
conveyance
of letters.

124. The exclusive privilege of the Postmaster-General is confined strictly to letters, and does not therefore extend to newspapers, books, patterns, or money; all of which may be legally conveyed by other means. The following kinds of letters also need not be sent through the Post:—

- 1st. Letters sent by a private friend, to be delivered by such friend to the person to whom they shall be directed:
- 2nd. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof; commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice:

 - 4th. Letters of merchants, owners of vessels of merchandize, or of the cargo or loading therein, sent by such vessels of merchandize, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise:
 - 5th. Letters concerning goods or merchandize sent by common carriers, to be delivered with the goods which such letters concern, without hire or other advantage for receiving or delivering such letters :
 - 6th. No person is authorized to make a *collection* of such excepted letters for the purpose of sending them in the manner above described.
125. The following persons are expressly forbidden to carry a letter, or to receive or collect or deliver a letter, even though they shall not receive hire or reward for the same :
- 1st. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack horses ; and owners, drivers, or guards of stage coaches :
 - 2nd. Owners, masters or commanders of ships, vessels, steam boats, or boats called or being passage or packet boats, sailing or passing coastwise, or otherwise between places within Great Britain or Ireland, or between, to, or from ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board:
 - 3rd. Passengers or other persons on board any such ships, vessels, steam boat, passage or packet boat :
 - 4th. The owners of or sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

In those cases where an asterisk is prefixed to the name of the country the postage set down is applicable to the whole packet of Newspapers, whether that packet contain a single paper or more papers than one, but in the other cases the postage must be paid for each separate Newspaper, whether sent alone or in a parcel containing more than one.

No parcel of Newspapers sent to the countries marked thus† must exceed 3 lbs. in weight, and the weight of a parcel for the Azores, Cape de Verdes, Madeira, and Portugal is limited to 1 lb., and for Russia, via Belgium, to 8 ounces.

The postage on Newspapers for all other places is a fixed sum, and is given in the table at pp. 52 to 60. At the option of the sender Registered Newspapers may be forwarded as Book Packets.

Optional or Compulsory Prepayment.

129. When a Letter, addressed to go by a route that requires Prepayment, is posted unpaid, and there is some other route where Prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

Distance to which the Postage carries the Letter.

130. The letter *a* prefixed to any division shows that the postage there entered does not carry the Letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

Turkey, Moldavia, Wallachia.

131. In the case of Letters forwarded, viâ Belgium, for other places in Moldavia than Botuschany, Galatz, and Jassy, or for other places in Wallachia than Bucharest and Ibraila, the writers should specify, in the address, to which of the above towns they desire their letters to be forwarded, and the postage as far as that town must then be paid in advance.

132. It is recommended that any letters for *Erzeroum* and other parts of the interior of *Armenia*, or for *Persia*, be addressed to the care of some agent at Samsoun or Trebizond, to be forwarded to their destination. Letters for such places in *Turkey* and *Asia Minor* as have *no Austrian Post Offices* should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established.*

Letters for Non-commissioned Officers, Soldiers, and Seamen in Her Majesty's Service.

133. Subject to the subjoined regulations, non-commissioned officers, band masters, army schoolmasters not being superintending schoolmasters or schoolmasters of the 1st class, schoolmistresses, private soldiers, or seamen belonging to Her Majesty's Ships, whether serving on sea or land, and whether in a British Possession or Foreign Country, as also enrolled pensioners in Canada, can send and receive letters by Packet or Man of War, for a postage of 1d.; but if any such letters have to pass through a Foreign Country they are subject, in addition, to the Foreign Postage, whatever that may be. Thus the postage to the under-mentioned countries (including the British charge of one penny) is as follows:—

* Austrian Post Offices have been established at Adrianople, Antivari, Bakau, Belgrade, Berlad, Beyrout, Botuschany, Bourgas, Bucharest, Caïfa, Candia, Canea, Cavalla, Chio (Tchœme), Constantinople, Dardanelles, Durazzo, Fookschan, Galatz, Gallipoli, Giurgevo, Ibraila, Ineboli, Jaffa, Janina, Jassy, Jerusalem, Kustendjie, Lagos, Larnaka, Mitylene, Philippopol, Piatra, Plojeshte, Prevesa, Retimo, Rhodes, Roman, Rutschuk, Salonica, Samsoun, Sere, Smyrna, Sofia, Sulina, Tchernavoda, Tenedos, Trebizond, Tultscha, Valona, Varna, Volo.

- 1st. The Person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer, or warrant officer, viz., assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
- 2nd. If the Letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory, but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
- 3rd. The Letter must not weigh more than half an ounce.
- 4th. It must relate entirely to the private concerns of the soldier or seaman.
- 5th. The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship, or regiment, corps, or detachment to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:—

134. If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, it will (if not exceeding half an ounce in weight) be detained and returned to the writer for payment of the postage; but if it exceed half an ounce, or if any other of the foregoing regulations be not complied with, it will be forwarded charged the same postage as a letter addressed to a commissioned officer. (*See also Rule No. 136.*)

Officers' Letters.

135. Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a Warrant Officer, when employed on board any of Her Majesty's ships, or when temporarily removed from such ships for land service on a Colonial or Foreign Station, as well as letters addressed to or sent by a commissioned officer or a superintending or first-class schoolmaster in the Army serving abroad, are subject to a uniform British rate of 6d. per half ounce each; but if any such letters have to pass through a foreign country they are subject to a foreign postage, in addition to the British rate of 6d. Thus the postage to the under-mentioned countries (including the British charge of 6d.) is as follows:—

	Not exceeding $\frac{1}{2}$ oz.	Above $\frac{1}{2}$ oz. but not exceeding $\frac{3}{4}$ oz.	Above $\frac{3}{4}$ oz. but not exceeding 1 oz.	Above 1 oz. but not exceeding $1\frac{1}{2}$ oz.	Above $1\frac{1}{2}$ oz. but not exceeding 2 oz.

For heavier letters,
see par. 137.

To secure this privilege letters from an officer in the Navy must be sent in the bag made up on board his ship. No stamps but British can be used for the prepayment of such letters. The superscription of a letter addressed to an officer or superintending or first-class schoolmaster in the Army must specify the rank and regiment, corps, or detachment in which the officer or schoolmaster to whom the letter is addressed is serving, or the department to which he belongs; and a letter sent by an officer or first-class schoolmaster in the Army must have the signature of such officer or schoolmaster superscribed thereon, together with the signature of the commanding officer of the regiment, &c., or the signature of the head of the department to which such officer or schoolmaster belongs, and the name of the regiment, corps, detachment, or department must be subscribed on the letter by the commanding officer or head of department. Unpaid letters sent to or by an officer or a first-class schoolmaster on a Colonial Station are charged 6d. each on delivery, in addition to the foregoing rates.

136. Letters for officers and seamen on board Her Majesty's ships stationed at a port abroad should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by officers and seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid. The same rule is applicable to letters for military officers, army schoolmasters and schoolmistresses, and private soldiers.

Letters weighing more than two ounces.

137. To ascertain the postage of any heavy Foreign or Colonial letter, first subtract from the weight of the letter all the complete ounces above one, and then having found from the table the postage for the remaining weight add to that postage the sum in column D for each additional ounce. *E.g.*, to find the postage on a letter for Australia, *via* Marseilles, between $4\frac{1}{4}$ and $4\frac{1}{2}$ ounces in weight—

	s.	d.
For a letter above $1\frac{1}{2}$ and not exceeding $1\frac{1}{2}$ ounce	-	3 4
For 3 complete ounces in addition at 1s. 8d. per ounce	-	5 0
Total postage	-	8 4

Note.—It will not do to multiply the postage in column D by the full number of ounces and add the charge for the remaining fraction, as in some cases the rate advances after the first ounce by the ounce scale, and in others by the half or quarter ounce scale.

Routes.

138. Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign postage:—

Exceptions.—I. Letters for Aden, Alexandria, Borneo, Cairo, Ceylon, China, India, Japan, Java, Labuan, Penang, Philippine Islands, Singapore, and Suez are sent by the first mail despatched by British Packet either *via* Marseilles or *via* Southampton according to the route indicated by the postage; letters for New South Wales and Malta are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route, and letters for the Cape of Good Hope, Natal, and Ascension are sent by the first mail.

I. Letters for Canada posted after the despatch of the mail *via* the United States on Saturday are forwarded by Canadian Mail Packet on Thursday, unless prepaid at the higher rate.

- III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, Guadaloupe, Martinique, Mexico, and Monte Video are, provided the prepayment be sufficient, sent in the Mail *viâ* France, if that be the first Mail despatched after the time of posting.
- IV. Letters for Austria, Baden, Bavaria, and Wurtemberg, if insufficiently paid for transmission *viâ* France but sufficiently paid to be sent *viâ* Belgium, are forwarded by the latter route ; and letters for Constantinople prepaid at the rate of 6d. per quarter ounce only are sent *viâ* Marseilles.

Holland.

139. Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Holland, *viâ* Belgium and by private ship at the following rates:—Not exceeding 2 oz., 1d. ; above 2 oz. but not exceeding 3 oz. 6d. ; above 3 oz. but not exceeding 4 oz., 8d. ; with an addition of 2d. for every additional ounce up to 16 ounces, above which weight the privilege does not extend. At the same rate of postage, Parliamentary Proceedings may be sent without limit of weight. This postage is only the British portion, a further sum being charged on delivery. The periodical works must always be sent in a cover open at the ends (not more than one being sent in a single cover), and the postage must be prepaid. Other printed papers or books (except those specified above), are liable to letter rate of postage. There must be no writing, or other marks upon such periodical works, &c., or upon the covers, except the names and addresses of the persons to whom they are sent ; nor, upon the covers must there be any printing except the names and addresses of the persons to whom they are sent and the names and addresses of the senders. Any other writing, &c., will render the packets liable to letter rates of postage.

Prussia and the German Postal Union generally.

140. According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the Mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery *as freight*.

Transmission of Jewelry, &c. to Spain, Turkey, and Costa Rica.

141. The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewelry or other articles of value, which are liable to Customs duties. Any such packets, therefore, which may be forwarded in the mails to Spain will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewelry to the Republic of Costa Rica.

Registration of Letters, &c.

142. The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Italy, or the German States ; but to other Foreign Countries only letters, and packets prepaid at the letter rates, can be registered. To some countries, as shown in the table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

143. Where the prefix "in" is made use of in the column of fees in the table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival ; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word "none" appears no registration can be effected.

144. *France and Countries through France.*—The registration fee upon letters addressed to France or Countries through France (*exclusive of those sent in the closed Mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar viâ France, Malta, Constan-*

tinople, Austria, Portugal, Spain, or Italy, except the Papal States,) is not a fixed sum, but is in all cases equal to the postage.

Letters for Passengers on board Mail Packets.

145. Letters for passengers on board the Cunard and Inman packets for America touching at Queenstown may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America by the same packets are received. They must be registered, and the postage and registration fee must be fully prepaid, and they must be addressed to the care of the officer in charge of the mails on board the Cunard packets, or in the case of the Inman packets to the care of the commander.

146. Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, &c., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, &c., or for Canada.

147. The letters should be addressed thus: "Mr. _____, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails," or "care of the Commander of the packet," as the case may be.

148. Letters directed to the care of the Packet Agent at Suez and despatched by the mail *viâ Marseilles* which follows the mail *viâ Southampton*, will probably reach passengers for India, &c. who have sailed in the packet from Southampton.

Letters by Private Ships.

149. Letters intended to be sent by Private Ship must be addressed "By Private Ship;" and if by a particular vessel the name of the ship must be added. The postage of a Letter by a Private Ship to Belgium, Belize, and the British West Indies is 3d. not exceeding $\frac{1}{2}$ oz., and 3d. is charged, in the case of heavy letters, for every additional $\frac{1}{2}$ oz.; to the Cape of Good Hope, Natal, St. Helena, and Ascension, the postage is 4d. not exceeding $\frac{1}{2}$ oz., and 4d. is charged for every additional $\frac{1}{2}$ oz.; to France, 4d. is charged for every $\frac{1}{4}$ oz.; to Norway, 8d. for every $\frac{1}{2}$ oz.; to Holland, 8d. not exceeding $\frac{1}{2}$ oz., 1s. 4d. not exceeding 1 oz., 2s. 8d. not exceeding 2 ozs., and 1s. 4d. for every additional ounce; in all other cases the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.:—Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria, Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Norway, Nova Scotia, Portugal, Prince Edward Island, St. Helena, Sierra Leone, and the United States, those for the Azores, Cape de Verds, Maderia, and Portugal being chargeable on delivery with 8d. per $\frac{1}{2}$ oz., those for France and Algeria 8d. per $\frac{1}{4}$ oz., those for Norway 10d. per $\frac{1}{2}$ oz., and those for the other places (except Holland, which are not chargeable with any addition), one extra rate each; but to all other places prepayment is compulsory. Unpaid letters inward are charged in the same manner as unpaid letters outward.

150. Newspapers by private Ships to the Azores, Cape de Verds, Madeira, Norway, Portugal, and the United States are charged 2d. each, in all other cases they are charged 1d. each.

Hot Climates.

151. The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the Letters so sealed, but to the other Letters in the Mail, from the melting of the wax and adhesion of the Letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to, to do the same.

Prepayment, &c.

152. Letters addressed to places abroad may be prepaid in this country either in money or stamps, but such payment must be wholly in stamps or wholly in money. Newspapers, Book-packets, and Patterns must always be prepaid, and this by stamps.

153. With certain exceptions the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

154. Naval officers, marines, and seamen serving abroad are allowed to prepay such of their letters as are conveyed in their ship's bag, with English postage stamps.

155. When prepayment is *optional* any outward Letter* posted with an insufficient number of stamps is sent forward charged, the value of the stamps being taken into account; unless the letter have to go to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with France not allowing the recognition of partial prepayment of such letters. When, however, prepayment of the whole postage is *compulsory*, a letter or ought else posted with an insufficient number of stamps is sent (by the first post) to the Returned Letter Office.

156. Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are (except in the case of Tasmania) forwarded charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

157. Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are on delivery charged 6d. each in addition to the deficient postage :—

Alexandria, via Southampton.	Canada. Cape Coast Castle. Falkland Islands. Gambia.	Gibraltar. Gold Coast. Italy. Malta.	Mauritius. New Brunswick. Newfoundland. Nova Scotia.	Prince Edward Island. Sierra Leone. Suez, via Southampton.

160. Letters posted unpaid (wholly or in part) addressed to Foreign Countries generally, *viâ* Belgium and Prussia, or to Portugal, Madeira, the Azores, and Cape de Verdes, are charged 2d. per rate in addition to the deficient postage.

161. Letters posted wholly unpaid for Algeria and France, or for Austria *viâ* France, are charged 8d. per $\frac{1}{4}$ oz., and those posted wholly unpaid, or paid less than one rate of postage, for the Canary Islands, Majorca, Minorca, and Spain are charged double the prepaid rate. Letters for the Canary Islands, Majorca, Minorca, and Spain insufficiently prepaid are, provided one rate at least be paid, charged with double the deficiency, and those for Algeria, France, or Austria insufficiently prepaid are charged at the unpaid rate less the value of the stamps affixed.

162. Letters posted wholly unpaid for Alexandria, Cairo, and Suez, sent *viâ* Marseilles by British packet, and those for the following places sent by French packet, are charged with a postage of 9d. per $\frac{1}{4}$ oz. :—

164. The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *viâ* Southampton, China, and Holland *viâ* France, which are charged the prepaid rate only, and from the United States, which are charged an additional rate of 6d. each.

* That is, a letter posted within the United Kingdom, and addressed to some place out of it.

PRUSSIAN POST TOWNS IN THE RHENISH PROVINCES.

The Postage to these Towns, when the Letter is addressed "vid France," is less than to other parts of Prussia, being 6d. the $\frac{1}{2}$ oz. letter instead of 8d., and so on with greater weights. See Table of Colonial and Foreign Postage, page 54.

XL—SUGGESTIONS TO THE PUBLIC, &c.

165. Facility is given to the Post Office in the discharge of its daily duties, and greater security afforded to the Public, by careful attention to the following recommendations:—

- Letters should be posted as early as possible.
Registered letters.
- 1st. To post all letters, &c. as early as practicable; especially when sent in large numbers, as is frequently the case with newspapers and circulars. The trouble of the office is much diminished if circulars, before being posted, be tied in bundles with the addresses all in one direction.
- 2nd. To see that when several letters are sent by the same person for registration they be accompanied with a list (in duplicate) of the addresses; one list to be retained at the Post Office, and the other, when signed, to be returned by the bearer. This practice (which is adopted by many bankers) saves time both to the public and to the department.
- 3rd. To make the address legible* and complete, giving the name of the post town, and if there be more than one town in the kingdom of that name, or if the post town be not well known, adding the name of the county. Letters posted in one part of the United Kingdom and intended for another part (as, for example, letters posted in England and intended for Scotland) should have the name of the country to which they are sent added to the other part of the address. The number of the house too, if in a street, is a great assistance. It must not be supposed that because a letter will eventually reach its destination without a number the omission is not a cause of hesitation and delay in the process of sorting for delivery; and when such small delays occur again and again they tend greatly to retard the general distribution. In the case of letters for places abroad the name of the country as well as the town or city should be given in full. Attention to this latter precaution will often assist in deciphering the name of the town or city, and will prevent the letter from being mis-sent when there are towns of the same name in different countries. For example:—a letter intended for London in Western Canada, North

* As an instance of miscarriage owing to the want of legibility, it may be mentioned that badly directed letters intended for *Belgravia* have not unfrequently been sent to *Belgrade*.

America, but simply addressed "London, W.C.," would be forwarded to the West Central District of the Metropolis in England, and thus be delayed. The address of every letter to a place abroad should end with the name of the country. (*See also paragraph 217, page 137.*)

- 4th. To see that every letter, newspaper, or other packet sent by post is securely folded and fastened. Sealing wax will not easily adhere to the gummed portion of an envelope. When postage stamps are remitted, they should be enclosed in paper sufficiently thick to prevent them from being seen or felt through the cover. It should be remembered that every packet has to be several times handled, and that even when in the mail bag it is exposed to pressure and friction. Unless, therefore, the article be light and pliant it should be enclosed in strong paper, linen, parchment, or some other material which will not readily tear or break. The observance of this precaution is especially necessary whenever any fragile articles of value are forwarded by post. These should always be enclosed in a wooden or tin box. Owing to neglect of these precautions many postal packets burst open, causing much trouble to the department and risk to the owners, it being sometimes impossible to determine to what packet a particular article belongs.
- 5th. To fasten the covers of newspapers firmly, so as to prevent the contents from slipping out. Newspapers.
- 6th. In affixing the stamps, to wet slightly the corner of the envelope and the front, as well as the gummed side of the stamp, and then gently to press the stamp till it is firmly fixed. The practice of dipping the stamp in water is objectionable, because, unless the stamp be immediately withdrawn, and care be taken by the use of blotting paper or some other absorbent to remove any excess of moisture, the gum may be washed off, or the stamp may be rubbed off the letter. By the use of envelopes bearing an *embossed* stamp (which can be obtained at any Post Office) all risk of the stamp being detached may be avoided. Affixing stamps.
- 7th. When dropping a letter, newspaper, &c. into a letter box, always see that the packet falls into the box and does not stick in its passage. Posting.
- 8th. Never to send money or any other article of value through the post, except either by means of a money order or in a registered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some clerk or letter-carrier to moral ruin. Every letter which contains money or other valuable article, even when registered, ought to be securely sealed. Money &c.
- 9th. To provide a letter-box. Letter boxes.
- 10th. In case of removal to furnish the particulars of the new address, in a letter, properly signed, either to the Secretary or to the Letter-carrier of the district. Removals.
- 11th. When complaint is made of letters or newspapers lost, miscarried, or delayed, to furnish information as precise as possible regarding all the facts of the case, and to enclose whatever documents may throw light upon it. The day and hour at which the letter or newspaper was posted, as well as the office at which and the person by whom this was done, should always be stated; and when possible, the cover or wrapper in an entire state should be sent, in order that the place of delay may be ascertained by an examination of the stamps. Cases frequently occur in which complaint is made against the Post Office, and redress expected, although little or no means of

Letter boxes.
Removals.

Complaints about mis-sent letters &c.

- tracing the error, and of guarding against a repetition of it, are supplied by those who alone are able to do so.
- Letters should contain full address of writer.** 12th. To see that every letter contains the full address of the writer, in order to ensure the return of the letter if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned, if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.
- Return of letters addressed to club houses, hotels, &c.** 13th. To return to the Post Office all letters addressed to Club Houses, Hotels, and other places where letters are received to be called for, as soon as it has become evident that such letters will not be called for by the persons to whom they are addressed. In the London District such letters should, under ordinary circumstances, be returned to the Letter Carriers within a month of their delivery, if not called for.

Much time often necessary in making alterations. 166. Complaint is sometimes made of delay in carrying into effect intended improvements. It should, however, be borne in mind that changes in machinery so extensive and intricate as that of the Post Office must be made cautiously, and with much previous consideration. The arrangements of the service, even in districts widely separated, are so much dependent upon each other, and economy of time (one of the first objects in all postal organization) requires that they should be so nicely adjusted, that no alteration can safely be made without a close examination of all its consequences, and completeness of preparation; for as on the one hand experience proves that almost every improvement shows the way to further amendment, so, on the other, it will be found that an ill-considered change, though it may give a partial advantage in one quarter, generally leads to dislocation and confusion in others. This, of course, involves a reference to every district or community which may be affected,—often distant from the metropolis; and entails the necessity of reports from various quarters, which must be considered, compared, and in many instances tested by experiment, before a safe decision can be arrived at. Even then negotiations with railway companies or coach proprietors may have to be entered into, tenders invited, new contracts made, and old contracts, requiring notice of termination, got rid of, before the decision can take effect.

167. The proper execution of a great portion of these duties not only requires great diligence and precision on the part of the officers intrusted with them, but is also (and it is this which more immediately concerns the public) a work of time. Hence it has frequently happened that the necessity for a change has been recognized in this Office, that investigation has been set on foot, and measures of improvement have been taken before any public demand has arisen; such demand even having been suggested by these very proceedings.

Prevalent misconceptions causing complaints.

168. It is often assumed that a Mail conveyance, passing by or through a place, however small, ought as a matter of course to deposit the letters directed thereto; the practice being that until the mail arrives at the head post office of the district the letters in question are not separated from the other letters of that district. A slight consideration of the nature and objects of the Postal Service will show that such separation cannot be effected in any other way, unless, indeed, the Mail conveyance, even supposing it to be but a mail cart, were converted into a travelling post office, and furnished with clerks of unlimited local knowledge (which is plainly impossible), or unless every town and village in the kingdom having any correspondence with the place in question were to make up a bag for that place; in which case its Mail would contain nearly as many bags as letters.

169. It happens from time to time that, owing to the stream of postal communication having been diverted from the old mail road to a line of

railway, or from other causes of like nature, it becomes desirable to reduce the post office of a town from the condition of a principal office to that of a sub-office. This step not unfrequently gives rise to complaints; the inhabitants being under the impression that they shall not in future be so well served. This is a misconception. The change is not made when it will subject the correspondence to delay; nor does it cause any withdrawal of accommodation in respect to Money Orders. It is, in fact, simply a departmental arrangement, which consists in carrying on the sorting of the letters for the new sub-office at some intermediate office, instead of sending the letters in direct bags.

170. A frequent error is to assume that the Postmaster-General has some control over the delivery, charge, and other postal arrangements in the Colonies, and even in foreign countries; whereas, except at Malta and Gibraltar, the British Post Office is as powerless abroad as the Foreign or Colonial Post Offices are here.

171. Another misconception, which occasionally causes trouble and disappointment, consists in assuming that a discretionary power can be intrusted to subordinate officers in special circumstances to remit penalties or overcharges. Cases will undoubtedly occur in which strict observance of a general rule may inflict more or less injustice upon individuals, and where a dispensing power immediately at hand might furnish a remedy; but in an establishment as large and as widely spread as the Post Office there will always be many subordinate officers, some of them carrying on their duties beyond the easy reach of any supervising authority, who are not fit depositaries of such a power, affecting, as it would, to a great degree, the public revenue. It therefore becomes necessary to lay down definite and precise rules from which no departure can be allowed, except under sanction of the Postmaster-General; and in the few instances in which these rules press hardly, appeal must be made to the General Post Office. It may be added, that in many instances even such appeal is necessarily fruitless, the Postmaster-General being bound to a particular course by positive law.

172. In regard to the expense of railway conveyance, the public naturally supposes, as such conveyance is the cheapest for ordinary purposes and as the charges made for the carriage of the Mails are subject to arbitration, that it must be the cheapest for postal purposes also; and, indeed, so cheap as to warrant the free use of the railways either as substitutes for other conveyance or for the multiplication of Mails. The fact, however, is very different. Except in certain instances where companies have entered into arrangements securing to the Post Office the use of their trains on moderate, though still highly remunerative terms, railway conveyance, with all its acknowledged advantages, has proved much more expensive than that which it has superseded. In truth, under any modification of the law that could be made without injustice to the railway companies, the especial establishment of trains at hours unsuited to ordinary traffic (a measure often pressed upon the Postmaster-General) must remain a source of very heavy expense, such as can be justified only by commensurate advantage to the public.

173. Provision having been made by means of the British Postal Guide (with local Postal Guides in large towns,) and the Postal Official Circular, to supply full and authentic information on all postal matters which concern the public at large, it is requested that persons will abstain, as much as possible, from applying for such information to Postmasters and other officers of the Department. When a written reply is desired the application should be addressed, not to the local Postmaster, but to the Secretary of the Post Office in London, Edinburgh, or Dublin.

Applications for Postal information.

174. When information of any kind is asked for *verbally* the Department does not hold itself responsible for alleged errors in the reply.

XII.—POST OFFICES IN THE UNITED KINGDOM.

Including those in the Isle of Man, and in the Orkney, Shetland, Scilly, and Channel Islands.

Explanations.

175. When in the following list the name of one place stands alone, the place is a Post Town,—that is a town where the office is a Head Office; and when two places are mentioned the office at the first is a Sub-office, and that at the second is the Head Office, to which the Sub-office is subordinate. When the name of a place is followed by the letters R.S.O. and the name of a county in brackets and in italics, the office at that place is what is termed a Railway Sub-office,—that is a Sub-office receiving its correspondence direct from a Travelling Office instead of through a Post Town.

176. With some exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any persons who may wish to remit money to the neighbourhood. In the case of Railway Sub-offices, when a name follows the name of the county, it is that of the Money Order Office nearest to the Railway Sub-office.

177. As regards *Town Receiving Offices*, those only are entered at which Money Order business is transacted; and these will be found under the names of the respective Head Offices.

178. When a letter is sent to a Post Town, the last word in the address should be the name of the town, except when the town is but little known, or when there are two Post Towns of the same name: in such cases the name of the County should be added. Thus, the last part of the address of a letter to Newport in Monmouthshire, should be:—

“Newport,
Monmouthshire.”

179. When a letter is sent to a place where the office is a Sub-office, the name of the Post Town should be given; and when a letter is sent to a place where the office is a Railway Sub-office, the County should be named in the address. The name of the Post Town or County, as the case may be, should be written in a separate line. Letters posted in one part of the United Kingdom and intended for another part (as, for example, letters posted in England and intended for Scotland) should have the name of the Country to which they are sent added to the other part of the address, unless the letters be intended for either London, Edinburgh, or Dublin, in which case such addition is unnecessary.

180. Places which are marked thus * are Money Order Offices and Savings Banks. Those marked thus † are Money Order Offices but not Savings Banks. Those marked thus ‡ are Insurance and Annuity Offices.

Northern	N.	Eastern	E.

South Eastern	S.E.	Western Central	W.C.
South Western	S.W.		

190. By adding the Initials of the Postal Districts to the addresses of letters for London and its neighbourhood, the public will much facilitate the arrangements of the Post Office.

191. The District Initials for every important street or place are given in the Street List at pages 187 to 235.

Town Deliveries.

192. The portion of each District within about 3 miles of the General Post Office is designated the Town Delivery, and the remainder the Suburban Delivery.

193. Within the Town limits there are twelve deliveries of Letters daily :—The *First*, or General Post delivery, including all Inland, Colonial, and Foreign letters arriving in sufficient time, commences about 7.30 A.M., and is generally completed, throughout London, by 9 o'clock, except on Mondays, or on other days when there are large arrivals of Letters from Abroad.

194. The second delivery, which commences about 9 A.M., includes the correspondence received by the Night Mails from the Provinces or Abroad which may arrive too late for the first delivery; as well as those posted in the nearer suburbs by 6.30 A.M., as specified in the tables for each district.

195. The next nine deliveries are made hourly, and include all letters reaching the General Post Office, or the District Offices in time for each despatch. The last delivery commences about 7.45 P.M.

* The Southern District has been incorporated partly with the South-Eastern and partly with the South-Western District.

196. Each delivery within the Town limits occupies about an hour from the time of its commencement, which may be averaged at from 45 minutes to an hour, after the time of despatch from the General Post Office, according to the distance from St. Martin's-le-Grand, and the number of letters to be arranged by the Letter-carriers for distribution.

197. The Provincial Day Mails are due at various times, and the Letters are included in the next Delivery after their arrival in London. The Day Mails from Ireland, France, and the Continent generally, and the Letters received from Brighton and other towns which have a late afternoon communication with London, are delivered the same evening in London and the Suburbs within the six-mile circle. (For list of towns having a Day Mail communication with London, see pages 131 to 133.)

Suburban Deliveries.

198. There are seven despatches daily to the Suburban Districts. The first is at 7 A.M. to all places within the London District limits; and includes the correspondence by the Night Mails from the Provinces, and by any Colonial or Foreign Mails arriving in sufficient time. This delivery is generally completed in the nearer Suburbs by 9 A.M., and at the more distant places between 9 and 10 A.M. The second despatch is at 10 15 A.M. to the Suburban Districts within about four miles of the General Post Office. The third despatch is at 11.30 A.M., and comprises, with a few exceptions, every part of the London District. The fourth despatch, at 2.30 P.M., is to places within about six miles of the General Post Office, isolated localities excepted. The fifth despatch at 4.30 P.M. extends to the whole of the Suburban Districts, and, except in the remoter rural places, the Letters are delivered the same evening. The sixth despatch, at 6 P.M., is to places within about four miles of the General Post Office. The seventh despatch is at 7 P.M. Letters for this despatch posted at the Town Receiving Houses and pillar boxes by 6 P.M., or at the *Chief Office of the District to which they are addressed* by 7.30 P.M., are delivered the same evening at all the principal places within about six miles of the General Post Office. At the more distant places, the Letters are delivered early the following morning.

199. The deliveries in the Suburban Districts commence from one to two hours after the stated time of despatch; according to the distance from London. The deliveries in rural parts of the remoter Suburban Districts are necessarily fewer than in the towns and villages.

Collections from the Town and Suburban Receiving Houses, &c.

200. The latest times for posting Letters at the Chief and District Offices, and at the Receiving Houses and Pillar Letter Boxes, for the London and Suburban despatches, and for the Inland, Colonial, and Foreign Mails, are fully stated in the Tables at pages 138 to 182.* It is requested that all letters may be posted as early as possible.

201. Letters brought to the Receiving Houses after the fixed time of posting has expired cannot be forwarded till the next despatch; and the Receivers and Letter-carriers are strictly forbidden to receive a fee for including such letters in the collection. Provided, however, that they be not detained, and their duty thereby impeded, Letter-carriers in the Suburban Districts are permitted to take charge of letters to be posted on their route.

202. As a general rule the number of despatches from any place is the same as the number of deliveries there.

203. At the District Offices, and at the Town Receiving Houses, separate boxes are provided for "London District" and "General Post" letters; and the public will greatly facilitate the arrangements of the Department by taking care to post their letters in accordance with the inscription on each box. For the convenience of persons intrusting their letters to servants or children to post, the inscription on the "London District" box is in red letters, and that on the "General Post" box in black letters, so that the most illiterate person can be instructed in which of the boxes to deposit any letter.

* When the time for making up a Colonial or Foreign mail is marked "Morning," in the table at pages 54-71, the latest time for posting Letters by it at the Chief Office is 8.45 A.M., at the Lombard-street Branch Office 8.30 A.M., and at the other Branch Offices by 7.15 A.M. In the case of the French Mail, Letters must be posted at the several Branch Offices and Pillar Boxes in the town districts not later than 4 A.M., in certain Suburban Boxes not later than 3 A.M., and at the Chief Office not later than 6.30 A.M. When marked "Evening," the latest time is the same as for the Inland Night Mails.

Registered Letters.

204. For the *Night Mails*, the latest time for registering inland and foreign letters at the Chief Office, St. Martin's-le-Grand, and at the Head District and Branch Offices in London, on payment of the ordinary fee of 4d., is 5.30 P.M. ; or on payment of a late fee of 4d. in addition to the Registration Fee, the latest time is 6 P.M. At the Town Receiving Houses the latest time for registering letters for the *Night Mails* is 5 P.M.

205. For the *Day Mails* to the Provinces, Ireland, Scotland, France, and the Continent generally, and for the Colonial and Foreign Mails via Southampton, Letters can be registered at the Chief Office, and at the Head District and Branch Offices, at the ordinary Fee between 6 and 7.30 P.M., and at the Town Receiving Houses between 5.30 and 7.30 P.M. the previous evening.

206. For the first *London District Delivery* letters can be registered at the Chief Office and at the Head District and Branch Offices at the ordinary fee between 6 and 7.30 P.M., and at the Town Receiving Houses between 5.30 and 7.30 P.M. the previous evening ; and for the other London District deliveries half an hour before the latest time for posting ordinary letters. No letter can be registered at the Chief or at the Head District and Branch Offices before 7.30 A.M. or after 7.30 P.M., or at the Town Receiving Houses before 8 A.M., between 5 and 5.30 P.M., or after 7.30 P.M.

207. At the Suburban Receiving Houses the latest time for registering is half an hour before the fixed time for clearing the box for each despatch, except that no letter can be registered before 8 A.M. or after 7.30 P.M.

Note.—Letters for Passengers on board out-going Mail Packets must be registered. See paragraph 161.

Letters "To be called for."

208. The *Poste Restante* being intended solely for the accommodation of Strangers and Travellers who have no permanent abode in London, letters for Residents in London must not be addressed "Post Office till called for." Letters addressed to "Initials" or "Fictitious Names" cannot be received at the *Poste Restante* ; if so addressed they are returned to the writers. Letters may not be redirected from a private address to the *Poste Restante*.

209. Letters for Strangers are delivered from the *Poste Restante* for a period of two months ; after which period they must have them addressed to their place of residence, in order that they may be sent by the Letter-carriers. Letters for known residents in London, addressed to the "*Poste Restante*," are delivered there for one week only, after which they are sent out by the letter-carrier to the applicant's place of residence.

210. Letters addressed "Post Office, London," or "*Poste Restante, London*," are delivered only at the *Poste Restante* Office, on the South side of the hall of the General Post Office, St. Martin's-le-Grand, and at this Office also, and there only, are delivered Letters addressed to the District or Branch Offices in London. The hours of delivery are between 9 and 5.

211. All persons applying for letters at the *Poste Restante* must be prepared to give the necessary particulars to the clerk on duty, in order to prevent mistakes, and to ensure the delivery of the letters to the persons to whom they properly belong.

212. If the applicant for the letters be a subject of the United Kingdom he must be able to state from what place or district he expects letters before he can receive them, and to produce some proof of identification ; and if he send for his Letters, the messenger, besides being furnished with this information, must have a written authority to receive them. If the applicant be a foreigner he must produce his passport ; or if he send for his letters the messenger must produce it. Subjects of States not issuing passports are treated as subjects of the United Kingdom.

213. Letters from abroad addressed "Post Office," or "*Poste Restante, London*," are retained for two months at the *Poste Restante*. Provincial letters similarly addressed are retained one month, and Town letters one fortnight ; at the end of these periods respectively all such letters are sent to the Returned Letter Office, to be disposed of in the usual manner.

214. The Letter Receivers in the London District are not required to take charge of letters to be called for; but they are permitted to do so, for persons who are known to them, if they think proper, and also to charge a fee for the accommodation. Letters cannot be re-directed from one Receiving House to another in the London District.

215. When letters are intended to be called for at the General Post Office, the words "To be called for" should be added to the address; otherwise such letters are sent round in the first instance to the several departments of the General Post Office, to ascertain whether they are intended for any of the officers, and therefore may not be at hand when applied for.

Private Letter Boxes.

216. Private letter boxes may be rented at the window of the General Post Office, and at all the District and Branch Offices. The charge for a private box is 3*l.* a year, payable in advance; and no box can be rented for a shorter period than twelve months. Private box holders can obtain their letters between 7.30 A.M. and 7.30 P.M.

Letters addressed "London" only.

217. Many persons are in the habit of addressing letters for well-known Firms and Individuals to "*London*" only; but this practice not unfrequently occasions delay in such letters reaching their rightful owners. In all cases, however well the firm or individual for whom a letter is intended may be known, it is most essential, to ensure its correct delivery, that the street or locality in which they reside, and the number of the house, should form part of the address.

218. Letters simply addressed "*London*," (and not "*Post Office*," or "*Poste Restante, London*,") are not delivered from the *Poste Restante*, but are sent out by Letter-carrier for delivery at the address furnished by the person who may apply for them.

Imperfectly directed Letters.

219. Letters which are imperfectly addressed, or refused, or for persons who cannot be found, are, as soon as they have been properly tried, sent to the Returned Letter Office, where such as originate in the United Kingdom are, if they contain an address, immediately returned to the writers, or if not, destroyed; and such as are from Abroad are retained for periods varying from one to two months, and then returned to the countries from which they were received.

Redirected Letters and Book Packets.

220. With the exception of Government letters, redirected letters and other postal packets are liable to an additional postage, at the prepaid rate, unless the redirection be made by an Officer of the Post Office, and both the original and the second address be within the London District limits. (See also page 48, paragraph 111.)

221. Notices of removal, and applications for letters to be redirected, should be addressed to the Secretary or furnished in writing to the letter carrier of the district; the particulars of the name, late place of residence, and present abode, should be stated in full, and the application must be signed by the persons removing or claiming the letters.

Overcharged Letters.

222. Overcharges are returned between the hours of 10 and 4, on presenting the overcharged letters at the office for the sale of Stamps, &c. on the southern side of the hall of the General Post Office. Or the letter may be sent to the office by the Letter-carrier of the District, and the overcharge will be returned with the letter in two days.

Postage Stamps, &c.

223. Postage Stamps and Stamped Envelopes are sold at the Chief Office between the hours of 7 A.M. and 7.30 P.M.; at the District Offices between 7 A.M. and 7 P.M.; and at the Receiving Houses between 8 A.M. and 8 P.M., Sundays excepted.

Purchase of Postage Stamps from the Public.

224. To discourage the transmission of coin by post, the officers at the District Offices, and the letter receivers, are authorized to purchase postage stamps of the public, if not soiled or otherwise damaged, at a discount of $2\frac{1}{2}$ per cent. The stamps must be presented in strips containing at least two stamps adhering to each other. Single stamps will not be received.

Sunday.

225. There is no collection or despatch of letters within the London District limits on Sundays, and a delivery is made only at such places as are too distant for the letters by the last despatch from London to be distributed on Saturday evening; but letters posted in the *Pillar Boxes within the Town limits, and in some of the nearer Suburbs, on Sundays* are collected early on Monday morning, in time for all the Morning Mails, and for the first London District delivery.

EASTERN CENTRAL DISTRICT. (E.C.)

The Eastern Central District extends to the City-road, Old-street-road, Bishopsgate-street, Leadenhall-street, Tower-street, and the river side to the Temple and Fleet-street; and excludes Chancery-lane, Gray's-inn-lane, Cold-bath-fields, and Claremont-square.

CHIEF DISTRICT OFFICE, ST. MARTIN'S-LE-GRAND. (E.C.)

226. The *Poste Restante*, where also letters can be registered, or prepaid in money, and where Postage Stamps, &c. can be purchased, is under the portico facing St. Martin's-le-Grand. Inquiries for missing letters should be made at the Secretary's Office.

The RETURNED LETTER OFFICE is in ST. MARTIN'S-LE-GRAND, opposite the GENERAL POST OFFICE.

The MONEY ORDER OFFICE is at No. 1, ALDERSGATE STREET.

The POST OFFICE SAVINGS BANK is at No. 27, ST. PAUL'S CHURCHYARD.

269. To keep this List within convenient limits, it has been necessary to omit the names of many streets, &c. These are such as, in the address of a letter, are generally followed by another name—that of some well-known main street or road in the immediate neighbourhood, or the general name of the locality. When, therefore, a street, &c. cannot be found in the List, the Postal District to which it belongs can be ascertained by referring to the name of the neighbouring main street, or to the general name of the locality. Where the main street is in one district and certain smaller streets near to it are in another, the smaller streets themselves are inserted in the List, with the proper district initials.

RECENT ALTERATIONS IN NAMES OF STREETS.

270. The under-mentioned alterations having been recently made in the names of streets, &c. within the London District, the public are requested to be careful to direct their letters according to the *present* names.
